About Organization:

Punjabi Community Health Services (PCHS) is a pioneer community based not for profit, charitable organization. PCHS has been fulfilling needs of the diverse communities for the past 28 years by providing services in the areas of addictions, mental health, geriatric, health promotion, domestic violence, parenting, settlement and services for women, children and youth. PCHS has a number of research studies to its credit and is recognized as an innovative organization for community development and for its Integrated Holistic Service Delivery Model. PCHS is accredited by Commission on Accreditation of Rehabilitation Facilities (CARF) International and Imagine Canada.

About Position:

The Case Manager–Mental Health position is funded by the Central West Local Health Integration Network (CW LHIN). The purpose of this position is to provide individualized support to clients living with a serious mental illness. The Mental Health Case Managers work collaboratively with their clients to provide client centred support aimed at assisting them to live active and fulfilling lives within the community. The supports offered typically include: proactive outreach, comprehensive assessment, collaborative development of a personalized safety plan, collaborative development and implementation of an individualized care plan, assistance to achieve/maintain optimum health and wellness, record keeping, advocacy and program development. Services also include direct support in the areas of: education about the nature of mental illness; support and education to caregivers and/or the significant others.

Qualifications:

- BSW preferred; University degree or college diploma in Social Services or Human Services related field accepted
- At least 2 years of case management experience and/or front line experience with vulnerable populations
- Mental health training and qualifications preferred
- Familiarity with CRMS software is an asset
- Familiarity with the Ontario Common Assessment of Need (OCAN) is an asset
- Demonstrates an understanding of the South Asian culture
