

## MCBP GAVEL CLUB

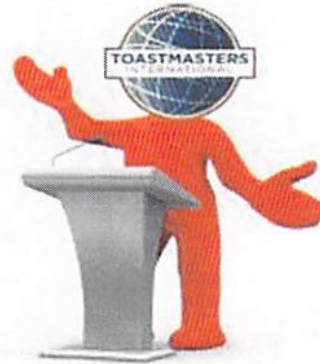

### Afraid of Public Speaking? TOASTMASTERS CAN HELP !

Toastmasters International was founded in 1924 that help its members improve their **communication, public speaking, leadership skills** through projects designed to engage people in speaking, listening and thinking through interactive quizzes, activities, feedback and recognition.

#### What is Gavel Club

Gavel Club is formed for children 11-18 years old. The club is aimed to provide Toastmasters experience similar to Toastmasters international and develop public speaking and leadership skills to become better communicators and leaders.

#### Aim of the Program

- Learn to speak in groups and working with others in a safe and supportive environment
- To improve ability to effectively communicate
- To encourage analytical reading and listening skills
- To provide fair and constructive evaluation towards self –improvement.
