What is Sahara Geriatrics Program?

Sahara Geriatrics Program strives to empower, support and educate seniors to improve their quality of life. We provide a number of programs that are culturally and linguistically appropriate. We also provide resources and education to promote healthy aging, physical independence and well-being. Our programs use a holistic approach by providing supportive counselling services to individuals and family members.

- Immediate Family
- Extended Family
- Friends
- Professionals

Programs

Integrated Seniors Team Program (IST)

The IST program is a partnership project with PCHS, SHIP (Services and Housing in the Province) and Peel Senior link. The IST program is designed to provide support to seniors and their caregivers who reside in the community. This program provides support and promotes independence, education and healthy aging.

The IST program serves frail seniors and those over the age of 55. We provide case management and PSW services, linkages and referrals, crisis management and caregiver support and supportive counselling. services are provided in English, Punjabi, Hindi and Urdu.

Clients must reside in Ontario Health Central Region area in order to receive services. Those out of the catchment area will be referred to the appropriate service provider.

IST program services are provided at NO COST to the clients

Our Values: Inclusion, Excellence, Accountability, Innovation

Programs

Behavioral Support Ontario (BSO)

BSO program caters to the needs of caregivers of older adults (55+) with cognitive impairments due to dementia, addictions or other neurological conditions. The BSO program is a collaboration between Punjabi Community Health Services and Indus Community Services.

BSO Psychogeriatric Resource

Consultant provides the following services:

- Education - Providing sustainable education through formal and informal means.
- Consultation - Assessments and recommendations to support a senior's quality of life and minimize risk.
- Capacity development and Network Building - Facilitating linkages between agencies that provide healthcare, community and social services for seniors in their communities.

Services Provided by Sahara Caregiver

Support & Respite Program (SCSRP):

- Health Education and awareness Workshops
- referrals and linkages to internal program and PCHS and external resources
- social engagement & recreational activities
- referrals are accepted through all sources (self, family, friends, or any other agency or service provider)
- Cost of \$1 per visit applies in the Day Group Program. Proceeds go towards day group equipment and activities (NO COST for Virtual groups)

Scope of Services:

- one-on-one supportive counselling
- Caregiver Support Workshops
- Educational sessions presentations in the community with existing groups
- Respite services for seniors to provide short-term relief to the caregivers

Services are offered to seniors and caregivers who are 55 years and over, and are able to support and manage their own and do not require continued supervision.

holistic culturally and linguistically appropriate approach to empower seniors to deal with issues of aging and to promote independence.
