	<p>Date Closed: Open until Filled</p>	

About the Organization:

Punjabi Community Health Services (PCHS) is a pioneer community based not for profit, charitable organization. PCHS has been fulfilling the needs of the diverse populations for 32 years by providing services in the areas of addictions, mental health, geriatric, health promotion, domestic violence, parenting, settlement and services for women, children and youth. PCHS has several research studies to its credit and recognized as an innovative organization for community development and its Integrated Holistic Service Delivery Model. PCHS is accredited by Commission of Accreditation Rehabilitation Facilities (CARF) International and Imagine Canada. PCHS is a 2SLGBTQ sensitive organization.

About the Program:

High Priority Communities Strategy is an initiative funded by the Ontario government which sees 16 lead community agencies across Ontario working in areas with high COVID-19 prevalence to provide targeted and culturally appropriate community outreach and education and provide response and recovery services. This includes, but not limited to, increased access to testing, vaccination, and antivirals, increased access to preventative care and primary care, increased access to community mental health and additions services with a focus on wraparound supports.

About the Position:

We are seeking a Registered Dietitian (with focus on Diabetes) with a minimum of 2- 4 years of clinical dietitian experience, preferably at a community-based agency, family practice, or primary health. This position reports to the Manager of Health, HPCS and is responsible to work closely with the Health Promotion Officer for High Priority Community Strategy.

Qualifications and Skills required:

- Bachelors Degree in Dietetics, Nutrition with 2-4 years of post-graduate, direct client care experience in a clinical dietitian role community-based agency, family practice, or primary health.
- In good standing with a recognized professional college; preferably College of Dietitians of Ontario.
- Current Certified Diabetes Educator certification preferred.
- Experience working with the South Asian population on their dietary needs.
- Excellent communication, planning, interpersonal, organizational, and time management skills.
- Knowledge of community resources and services in the local community.
- Demonstrated ability to work within the policies, practices, and philosophy of the agency.
- Demonstrated ability to make effective use of available technology (MS Office, Excel, PowerPoint, Web browsing, email, and voicemail, etc.)
- Self-directed, self-motivated, and able to work independently and as part of a team.
- Excellent verbal and written English skills.
- Ability to work under pressure, individually and within a team environment.
