Job Title: Addictions Case Manager Job Posting # ACM-023/2022-23	Date Posted: Sept 13, 2022	Report to: Manager – Addictions Program Position Type: Full Time
	Date Closed: Sept 22, 2022	

About Organization:

Punjabi Community Health Services (PCHS) is a pioneer community-based not for profit, charitable organization. PCHS has been fulfilling the needs of diverse populations for 32 years by providing services in addictions, mental health, geriatric, health promotion, domestic violence, parenting, settlement and services for women, children and youth. PCHS has several research studies to its credit and recognized as an innovative organization for community development and its Integrated Holistic Service Delivery Model. PCHS is accredited. PCHS is a 2SLGBTQ sensitive organization.

About Position:

PCHS is seeking to hire a full-time Addictions Case Manager to increase access to new intensive addiction day treatment services for youth and adults. This intensive addiction day treatment service is a partnership among the Peel Addiction Assessment Referral Centre (PAARC), Punjabi Community Health Services (PCHS), and William Osler Health System (WOHS). The Addictions Case Manager will work as a multidisciplinary team member to develop services that accept and support clients receiving Opioid Agonist Therapy (OAT), conduct risk and safety assessments, and support and connect the client with the community's appropriate resources. The Case Manager will also provide support to the client's family members and requires strong case management skills, group facilitation skills, and supportive counselling skills to provide care both in-person and using virtual platforms.

Qualifications and skills required:

- University degree and or Community College Diploma in social services or related field
- Preferred Registered Health Professional and adhere to standards of practice as per designated college
- Minimum 2 years related experience in direct service delivery to individuals with severe addiction issues
- Excellent knowledge of substance uses and co-occurring issues
- Strong client engagement, case management and group facilitation skills
- Demonstrated ability to provide supportive counselling
- Awareness of the systemic issues of racism, oppression, poverty, and marginalization
- Knowledge of various philosophies regarding substance use, with a balanced approach
- Evidence of very sound assessment, organizational and prioritization skills with the ability to work well in stressful situations
- Understanding and knowledge of the diverse communities with an emphasis on the South Asian Community
- Demonstrated ability to be flexible and cope with ambiguity in the system

- The ability to work with clients of diverse cultural and social backgrounds is necessary
- Consistent commitment to professional development
- Ability to work collaboratively and in partnership with a multidisciplinary team and other agencies in the community
- Demonstrated ability to use computer programs for data entry for assessments
- Certification in GAIN Q3 MI ONT is a strong asset
- Strong interpersonal skills, be able to work independently and within a team
- Ability to communicate effectively (written and verbal), including presentation skills
- Excellent working skills in MS Word, Excel, PowerPoint, internet and email
- Familiarity with Cloud technology and SharePoint will be an asset

Requirements:

- Required fluency in a second South Asian language
- Must possess a valid Ontario Driver's License, have regular access to a reliable vehicle and provide proof of adequate vehicle insurance
- A satisfactory current Vulnerable Sector Screening (Criminal Record Check) report
- Current CPR and First-Aid certification

Key Responsibilities:

- Engage with clients to conduct comprehensive assessments for substance use, emotional and mental health concerns and other social determinants of health
- Facilitate group sessions
- Prepare treatment plans tailored to each client for substance use and emotional and mental health concerns
- Prepare goal plans that serve as a roadmap for clients to optimize their wellness and make referrals to appropriate resources
- Conduct risk and psychosocial assessments using appropriately validated tools
- Engage in the functions of case management with clients to support their achievement of goals
- Engage in individual supportive counselling sessions with clients
- Provide coordinated care to family members and significant others
- Engage with other service providers to optimize integrated care
- Positively participate in team meetings, supervision, case conference, service resolution meetings, planning meetings, and staff meetings
- Maintain current information of community resources
- Maintain thorough and timely documentation, files, related reports and data entry based on best practices and policies
- Maintain appropriate record-keeping/documentation and client files, statistical and outcome measurement tools as required by the Addictions Case Management and PCHS policies and procedures.
